TREASURE CHEST

First Row: Clark, Hall. Second Row: Barr, Carter, Dukich.

Dedication

●To the museum of John R. Rogers high school for its efforts in keeping alive the traditional pioneer spirit in hearts of young America.

And to that staunch pioneer, E. T. Becher, the Northwest history classes and the rest of the social science department, we dedicate this 1943 Treasure Chest.

America's greatest heritage, the pioneer spirit, lives on in the hearts of Rogers students through their museum. It is that spirit which enables Americans to surmount any obstacles. It is the same spirit which urged the pioneer westward, that caused them to develop the wealth of resources.

Today that spirit is manifest in the state of Washington from the hum of activity in the Bremerton shipyards and the Boeing aircraft plant in the West, to our own aluminum plants in the East. It is that same spirit which spurred on the early settlers which will guide us on the road to victory and progress. That same spirit is leading hundreds of Rogers boys and alumni who are fighting on the four corners of the globe. The scenes of action of our gold star boys is wide-spread. And before this great conflict is over, many more will join the ranks of the armed forces. They are fighting—yes, dying—to preserve the ideals of democracy.

Spokane, Washington

Dedication

All these workers for freedom are carrying the traditions of their forefathers into battle. From the workers in the factories, to the men behind the guns; from the faithful women on the home front, to those serving as WAAC, WAVES, SPARS and nurses; from our loyal leaders, to those manning the planes and ships—they are doing their utmost toward saving the pioneer ideals for the generations to come. All are fighting to protect that spirit which has helped us to progress in the past and which will guide us in the future.

The future of our great nation depends on what is gained from the past. The study of the collection of World War I relics in our museum is giving the students of Rogers the foundation of knowledge they need to help America be victorious in both the war and the peace to follow.

These same traditions may make themselves felt in the post-war planning. If followed they will aid in making a peace treaty which will deal fairly with all peoples. They may help to make a better new world.

●The Student Council in past years has been of definite value to the student of Rogers high school. It is founded on a democratic principle which follows the same basic ideals as the national democracy. Here the students may bring forth their complaints and straighten out difficulties that concern the school or the home room. A delegate from each home room is elected to represent his room, and to the council he brings any suggestions, complaints, or whatever the issue may be. Last semester, Miss Finnegan offered her patient guidance as adviser of the organization.

Boys' Federation

FIRST SEMESTER

OFFICERS

President	Ray Lobdell
Vice President	Hubert Gamble
Secretary	Ray Hoag
Sergeant at Arms	Clair Finn

●The Boys' Federation was organized to promote the welfare of the school and the students. It has been the sponsor of many high school activities including programs of entertainment, sports, the spring sports queen contest, and the "Night Under the Stars." The speakers of the first semester were Lieutenant Richards, chaplain at Geiger field, John Shaw, assistant superintendent of schools, and Captain Burton of the army.

Marier, Mossuto, Coleman.

●Organized to provide entertainment for the school and other organizations in 1926 was the Footlights Club, whose adviser is Mr. J. L. Purdy. This club has provided much pleasure to many audiences in its 17 years of existence, and probably has been one of the most successful of any in the history of the school. The annual Footlights con was held last January near the close of the semester, and was considered one of the outstanding of any time. A bigger job is in store for the members of this club now, however—and that is to provide entertainment for the men of Uncle Sam's armed forces in and around Spokane. The club is an active part of the newly organized Victory Corps, and everyone who is a member is doing his small part efficiently in contributing to the final ultimate victory.

● Little recognition is ever given to the efforts of the stage crew. This group, under the direction of J. L. Purdy, has complete charge of all stage lighting, scenery, curtains, loud-speaking equipment, props, phonographs, etc., for dramatic events, convocations and all presentations.

This year the crew has accompanied Mr. Purdy and the dramatic and musical staffs on their presentations at Geiger Field and Fort Wright; all doing their part to entertain hundreds of soldiers.

The members are chosen by Mr. Purdy and Mr. Anderson and are given chenille letters for each semester of satisfactory work on the stage crew.

● Rogers drama lovers were treated with a different type of dramatic entertainment the last semester when the entertainment division of the Victory Corps gave three one-act plays instead of the traditional one three-act play. Not only did this "Drama Festival" provide a wider variety of drama for the audience to enjoy, but it also gave a greater number of aspiring actors and actresses a chance to receive valuable experience on the stage. This type of program will probably be repeated in the future; and it has been found that it is much easier to present the shorter plays at different army fields for the enjoyment of the armed forces, which is the purpose of the Victory Corps division.

● The Rogers high school choir, under the direction of Forrest Brigham during the first semester and C. Robert Zimmerman during the second semester, is one of the most active and sought-after musical organizations in the school. It has contributed many times to Spokane music lovers.

The choir is composed of students who have had voice training in school. The group is a select one, and only those who are qualified are asked to join. Both boys and girls may become members.

This organization was an outstanding attraction at the "Winter Music Festival" at Rogers.

In the history of Rogers, this choir has always been outstanding. Every year another jewel is added to its crown of success, and for the years to come, there is a bright outlook.

The choir also sang for the Victory Night at night school. They also entered the Music Conference held April 16 and 17.

● The Girls' Glee club, an important section of the music department at Rogers, is composed only of girls.

These members played an important part in the annual "Winter Music Festival" presented in March.

Girls who have had training in voice are eligible for the club, and they must be in the Glee club before they are eligible for the Choir.

The Glee club was under the direction of Forrest Brigham the first semester and C. Robert Zimmerman the second semester, and is accompanied by Marianna Hage.

They entered the Music Conference April 16 and 17.

● The Triple Trio is an outstanding group which has done much to develop the music department here at Rogers.

They have participated in many outside affairs as well as school affairs. The applause was loud and long at the "Winter Music Festival" as well as the Lions club, Geiger field, USO and many other places they have sung. They also entered the Music Conference held April 16 and 17. In all they have participated in 25 public appearances.

They were under the direction of Forrest Brigham the first semester and C. Robert Zimmerman the second semester.

● A most essential division of the music department of Rogers high school is the orchestra, composed this year of 47 pieces. This musical organization has participated in many programs throughout the year, including Parent-Teacher Association meetings, convocations, and several other types of programs.

The principal appearance of the orchestra was in the "Annual Festival of Music and Dance," which was held in March of this year. Four numbers, which the audience thoroughly enjoyed, were played that evening. The girls wore flowing formals, and the boys were attired in their best dress suits.

The traditional uniforms for the girls are black dresses of a like pattern with white collars. The boys' uniforms are ordinary dress suits.

Small groups have been formed from this large group, and they perform for city clubs, or any organization which requests their appearance.

Mr. Harold Anderson is the director of the department of music.

● The Rogers high school concert band, under the direction of Harold Anderson, has been one of the most successful and important organizations in the school. It participates in the pep rallies, all football games, gives concerts and participates in nearly all parades.

This year, the band participated in the "Annual Festival of Music and Dance." This was one of the most successful concerts ever produced at Rogers.

Since the concert band's organization, it has become one of the most popular groups in school. There is no doubt that it is now one of the outstanding high school bands in the Pacific Northwest.

● Led by high-stepping majorettes are these Pirettes who have pleased many crowds in the past years with their brilliant performances. Attired in purple skirts and gold blouses, these girls make a spectacular array of color when putting on stunts on the football field during the gridiron season. Some of the stunts produced this year were: The Red Cross card stunt; the Sweet-heart stunt, and "A Day in the Army" which showed the routine of a soldier in Uncle Sam's army. In each Merry-Go-Round contest, the Rogers marching group always gives the other contenders plenty of competition for the possession of the Athletic Round Table trophy. They have had claim to the trophy once, and will again compete this year for the coveted honor.

● Students all over the state have been studying the problem of the postwar world in order that they, the future citizens of America, will be able to help in the advancement of peace and security throughout the world. Among these students were the members of the Rogers debate squad.

The question was: "Resolved: That a federal world government should be established." The squad participated in the state debate tournament held at Pullman this year.

In 1940 the Pirates went to the national debate tourney. Other years have also brought outstanding victories. Until June, 1941, Mr. Jinnett was the coach. This job was taken over by Mr. Purdy in the fall of that year.

●The Rogers Record is the personal representative of the students at Rogers in the same way that city papers represent the public. It is published in order to keep the students thoroughly informed of everything which is going on about the school and also other entertaining articles. This was the first semester that news about ex-Rogers boys in the service was featured. The Christmas edition was sent to all those boys whose addresses were available. Several of the boys in the service are regular subscribers to the Record.

● Carl Ellingsen, coach of the 1942 Rogers football champions was not present at the time of the picture because he resigned from the faculty to accept a position with the American Aluminum company.

With our government urging us to make ourselves physically fit for the war we here at Rogers are doing our share by having regular physical fitness classes. Inter-scholastic sports also serve their share in this broad program.

But athletics could not have been carried out if it hadn't been for the direction of this group of men at the head of the program.

The Season

● With the spirit of the pioneers, the Pirate football team overcame all obstacles to come out on top in the city league. As if this weren't enough, the Bucs went on to defeat Wenatchee and Ellensburg for a "semi" state title. Dayton refused to play Rogers for a definite decision.

Not since 1935 has a Pirate football team brought such glory to these stately halls. It wasn't because our teams haven't tried, for nothing is further from the truth. It is this spirit which, with a few breaks, could have easily developed into the top team of the city. Perhaps it was our forefathers indomitable spirit which so inspired the Rogers Pirates.

The only "mishap" of the entire season was on a muddy, rainy day when Gonzaga with their superior weight, broke through to score their first and only touchdown. Rogers, depending more or less upon its speed and passing attack, was seriously handicapped on the slushy field, against a pile-driver team.

To this, the greatest and highest scoring team in the history of John R. Rogers, we say, "Congratulations!"

And may our future teams be thus inspired and uphold the fighting spirit of past teams.

Our student body also should be given no little credit. But for the enthusiastic cheering and support given the team, it might very well have been a different story.

Merry-Go-Round

The Pirates defeated a North Central team 12 to 0 in the first period. However, in the final quarter Lewis and Clark, the dark horse of the league, narrowly nosed out the Bucs, 6 to 0, to leave Rogers a close second.

Rogers 6, Gonzaga 0

In the closing seconds of the first game of the season, on September 25, the fighting Pirates shoved over the winning six points against Gonzaga.

Rogers 19, North Central 13

The Pirate gridsters scored 19 points in the first half, to triumph over an inexperienced North Central eleven, on October 9, under the lights at Gonzaga stadium.

Rogers 13, Lewis and Clark 0

Coming back in the second half, on October 16, an inspired Pirate eleven out-fought a Lewis and Clark team to come away with a 13 to 0 victory. The Pirate forward wall set a new defensive record in allowing the Tigers only 28 yards all afternoon.

Rogers 40, North Central 13

In this game a fighting Rogers team literally tore the Indians apart, to run up the largest score of the season. The Pirates started right at the first, for they held a 14 to 0 score in the first two minutes of the game.

Rogers 33, Lewis and Clark 0

After this easy win over the Tigers, the Bucs well proved that they were the best in the city. By downing Lewis and Clark 33 to 0, they won their first city title since 1935.

Rogers 0, Gonzaga 7

November 6 on a slippery, muddy field the city champions suffered their one and only defeat of the season to the Bullpups of Gonzaga 7 to 0. The Bucs fought vainly to the last second but failed to overcome Gonzaga's lead.

Rogers 21, Wenatchee 0

On November 11 the Pirate gridsters traveled to the apple capitol, where they turned on the power to down a fighting Wenatchee eleven 21 to 0. Although the score was comparatively large, the game was a thriller all the way. Rogers scored in every period but the third.

Rogers 13, Ellensburg 0

In a game supposedly to determine the state championship the city champions dumped Ellensburg 13 to 0 on Thanksgiving Day to prove that they were one of the best teams in the state. This game failed in its purpose since Dayton took an unexpected victory from Ellensburg. Not only was this Pirate squad Rogers' greatest, but it rolled up the best defensive and offensive records in years.

The following is a summary of the yardage and scoring records made during the season.

Basketball

● During the 1943 basketball season the Rogers team won eight games while only losing two, both games to Lewis and Clark. Although the Bucs had a powerful team they weren't quite strong enough to take the Lewis and Clark five.

Bob Lemman, fourth from the top on the city scoring ladder with an even 100 points, was the big gun for the Bucs.

The usual starting five included two sophomore sensations, Wayne Allen, center, and Earl Mortlock, forward.

The three starting seniors were Bob Lemman, forward; Herb Harlow, guard; and Grant Brown, guard.

Rogers had a very successful season and should have a good team again next year with four out of the five starting men returning.

Out of the freshman squad there are a couple of good boys who will be right in there next year.

Track

● With only six lettermen returning for the 1943 track season, Coach Mooberry hoped to repeat last year's championship.

The Physical Fitness program has helped to toughen up the Rogers tracksters and may help them in completing a successful season.

The returning lettermen were Henry Burnette, who runs dashes; Wayne Hendren, high jump; Darrel Turner and Ed Hall, milers; Herb Harlow, high and broad jump; and Andy Berg, shot-put.

Veterans who missed out on their letter last year, but are expected to earn points this year are: Bob Adams, a fast man on dashes, who was counted on to run the hurdles; Jim Lowther, high jump and pole vault; Floyd Breeden, who resumes the pole vault; Myron Kerr, shot-put; Ray Berg-

gren, pole vault; Ray Hoag, broad jump; Phil Coleman, high jump and hurdles.

One of Rogers strongest competitor's promised to be Gonzaga which had a strong team returning. In 1942, Gonzaga and Rogers fought it out for the championship with Rogers coming out on the long end of a 53 to 51 score.

Third Row: Vance, Simonson, Sweo, Benham, McDonald, Lemon, Wylder, Harlow, Black (coach). Fourth Row: Suko, Hathaway, Flualtt, Brooks, Flinlay, Lowther, Jullano, Askey, Vallance, Stoddard.

Baseball

● A probable starting lineup for the city series is: Casey Jones, pitcher; Francis Dauncey, catcher; Walt Ludwig, first base; Earl Mortlock, second base; Tom Marier, third base; Don Cobb, shortstop; Nick Miacola, left field; Herb Harlow, center field; and Bob Fyett, right field.

The 1943 baseball turnout wasn't too big with only about 35 candidates. The team went to Lewiston, April 9 and played a double-header, losing the first game 2 to 1. There wasn't a run scored until the sixth inning when Lewiston and Rogers both got a counter.

The game lasted eight innings, when Lewiston earned another run which ended the game. The second game was a see-saw battle with the score at the end of the seventh 9 to 8 in Lewiston's favor.

Some good prospects who will probably make their letters are: Earl Mortlock, Bob Benham, Nick Miacola, Don Simonson, Wayne Howard, Francis Dauncey, Wayne Allen and George Tortorelli.

SCHEDULE

April 20—Rogers at North Central.
 April 22—Lewis and Clark at Rogers.
 April 27—Gonzaga at Rogers.
 May 4—North Central at Rogers.
 May 6—Rogers at Lewis and Clark.
 May 11—Gonzaga at Rogers.
 May 18—Rogers at North Central.
 May 20—Lewis and Clark at Rogers.
 May 25—Gonzaga at Rogers.

Left to right: Valsvig, Weller, Suko, Saltz (coach), Harris, Dillon

Tennis

●The John R. Rogers tennis squad for 1943 was small but what it lacked in quantity, it had in quality. Its four returning lettermen, Bob Lemman, Jim Weller, Noble Valsvig, and Dor Appa, formed the nucleus of the team.

Poor weather hampered early spring practice.

Practice games have been scheduled with Central Valley, Coeur d'Alene and West Valley.

SCHEDULE

May 5—Gonzaga at Rogers.
May 13—Rogers at Lewis and Clark.
May 19—Rogers at North Central.

First Row: Mossuto, Marier, Ludwig, Cobb, Burnette, Hendren, Shay, Turner, Hall. Second Row: Moser, Rhuling, Mortlock, Enos, Tavares, Womble, Adams, Valsvig, Dauncey, Wylder, Schneidmiller. Third Row: Estes, Jones, Fyett, Tortorelli, Simonson, McGuire, Arthur, Berg, W. Allan, Walch, D. Allan, Lewis. Fourth Row: Newton, Williams, Clark, Carlson, James, Harris, Harlow, Hoag, Coleman.

● This year, for the first time since the Spring Sports Queen contest was originated in 1935, clubs have not sponsored the candidates. Instead each girl turned in a petition with 25 signees and each girl represented a branch of the armed services. This contest is staged annually to further the selling of season tickets to spring athletic events.
